ATTILA

Attila bathroom furniture provides a warm modern look with an appealing functionality and commitment to quality manufacturing. Contemporary black or chrome handles are a defining feature and contrast with the white or wood finishes for an almost industrial vibe.

Salcar

ATTILA

Elegantly simple and supremely functional, the Attila range will be a wonderful addition to any contemporary bathroom. Now available with a counter top and vessel basin in addition to the original inset basin. Drawers and doors are soft closing, the handles are ergonomically designed and the interiors have a nude leather effect finish all of which combine to create a high quality range that looks great in any setting.

OPTIMUS

Less is more with the Optimus collection - push open drawers mean the soft clean lines are uninterrupted by handles while the colours have a classic elegance that will work harmoniously with any bathroom design.

The soft close drawers provide storage while the convenient organiser included in the top drawer will help keep all your bathroom essentials neatly in their place.

Salcar

OPTIMUS

Optimus has a purity of form and a simplicity which means it works wonderfully in any setting. The classic colours can be paired with an inset basin or a counter top for use with a counter top vessel basin which are available in a range of sizes, shapes and colours. The spacious drawers are soft closing and push open activated with a drawer organiser in the top drawer.
