

# Octógono Musichalls Multicolor 20X20

Model: Octógono Musichalls Multicolor

Size: 20X20 cm (7.9x7.9 in)

Thickness: 8mm

Material type: Porcelain

## TECHNICAL DATA

|                                                                      |                                                                                                               |                          |
|----------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------|--------------------------|
| Manufacture process                                                  | Single-firing                                                                                                 | Dry pressed ceramic tile |
| Length, width, thickness, side straightness, orthogonality, flatness | Conforms to the requisites applicable to each model as defined in standard UNE-EN 14411 for Group BIa annex G | UNE EN ISO 10545 Part 2  |
| Water absorption                                                     | E < 0.5%                                                                                                      | UNE EN ISO 10545 Part 3  |
| Flexion resistance (N/mm.2)<br>y and breaking strength (N)           | > 35<br>> 1300                                                                                                | UNE EN ISO 10545 Part 4  |
| Resistance to surface abrasion (Glazed tiles)                        | 4                                                                                                             | UNE EN ISO 10545 Part 7  |
| Lineal thermic dilatation                                            | < 9*10 -6 /°C                                                                                                 | UNE EN ISO 10545 Part 8  |
| Thermic impact resistance                                            | Stands the test                                                                                               | UNE EN ISO 10545 Part 9  |
| Cracking resistance                                                  | Stands the test                                                                                               | UNE EN ISO 10545 Part 11 |
| Frost resistance                                                     | Stands the test                                                                                               | UNE EN ISO 10545 Part 12 |
| Slip resistance                                                      | Class 1                                                                                                       | UNE ENV 12633:2003       |

## CHEMICAL RESISTANCE

|                                     |                  |                          |
|-------------------------------------|------------------|--------------------------|
| Domestic cleaning products          | Class A          | UNE EN ISO 10545 Part 13 |
| Swimming pool salt                  | Class A          |                          |
| Acids and bases (low concentration) | Minimum Class LB | UNE EN ISO 10545 Part 14 |
| Stains resistance                   | Minimum Class 4  |                          |

## CE MARKING

CE Declaration of performance:

Nº 001VV2013
