

AYO WETROOM

WETROOM AND WALK-IN COLLECTION

With its innovative modular design, the 10mm AYO collection is crafted to create an almost infinite choice of wetroom configurations.

Choose from an extensive selection of stabilising solutions, wall fixings and seals to design the ultimate wetroom experience, personalised to your requirements.

 2000mm HEIGHT	 RANGE OF STABILISING SOLUTIONS AVAILABLE	 SUITABLE FOR WETROOM OR SHOWER TRAY INSTALLATION	 REVERSIBLE
 ULTRA CLEAR BOTTOM FLOOR PROTECTOR STRIP	 HIDDEN FIXINGS	 OTHER FIXING OPTIONS	 CLEARVUE GLASS COATING
 20 YEAR GUARANTEE	 10mm TOUGHENED SAFETY GLASS		

All AYO Wetroom components in Brushed Brass as coated using PVD Technology ensuring a long lasting high quality finish.

Note: The wall profile which comes with the AYO wetroom complete package offers 15mm adjustment. Maximum adjustment is 10mm short of the nominal size for all product sizes.

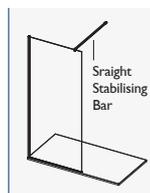

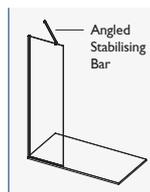

There is a range of stabilising solutions sold separately to suit your needs.

We recommend leaving a minimum of 500mm access when designing your showering space.
